THE CONTINUED BENEFITS OF NYSUT MEMBERSHIP

NYSUT Retirees: Did you know your union membership provides you with access to dozens of benefits that can help you protect your family and save money?

NYSUT Member Benefits was created more than 40 years ago to provide members with quality voluntary insurance benefits and other programs at group rates. Over time, the breadth of offerings from Member Benefits has grown dramatically to include legal and financial services, discount and savings opportunities, travel offerings, personal services, and much more.

Many of these endorsed programs include value-added benefits and can be purchased through pension deduction for greater convenience and savings. Members who participate in Member Benefits-endorsed programs also receive the added protection of having a trusted advocate on their side. Member Benefits staff take great pride in stepping in to support members with any questions, concerns or issues that may arise.
